

# Experienced Finance Manager

## Our company

Page Asia Pacific delivers end-to-end solutions across maritime, transportation, energy, defense, and national security sectors. With abundance expertise in telecommunications, security, and integrated command platforms, we enable governments and critical infrastructure operators to achieve greater safety, resilience, and operational efficiency. We have a global footprint and a dynamic team both locally and internationally, we're looking for a strategic and detail-oriented Finance Manager to lead our financial operations and support our next phase of expansion.

## Work position

### We are looking for:

As Finance Manager, you will be responsible for overseeing financial planning, analysis, and reporting. You'll play a key role in shaping financial strategy, ensuring compliance, and providing insights that drive business decisions.

### Expected activities:

The role includes the following activities:

- Develop and manage annual budgets, forecasts, and financial models
- Prepare monthly, quarterly, and annual financial reports for senior leadership
- Monitor cash flow, working capital, and financial performance metrics
- Lead internal audits and ensure compliance with local and international accounting standards
- Implement and optimize financial systems and processes
- Provide strategic recommendations to improve profitability and cost efficiency
- Liaise with external auditors, tax consultants, and regulatory bodies
- Supervise and mentor junior finance staff

### Requirements and skills:

- Bachelor's degree in Finance, Accounting, or related field (CPA, ACCA, or MBA preferred)

- Minimum 5 years of progressive experience in financial management
- Strong knowledge of financial regulations, tax laws, and accounting principles
- Proficiency in financial software (e.g., SAP, Oracle, QuickBooks, Zoho) and Excel modeling
- Excellent analytical, organizational, and communication skills
- Proven ability to lead teams and manage cross-functional projects

## **More infos**

### **What we offer:**

- Department: Finance & Accounting
- Employment Type: Full-Time
- Salary Range: BND\$2500A
- Dynamic and welcoming work environment
- Ongoing training and professional development
